Project Manager Busnes@LlandrilloMenai

Busnes@LlandrilloMenai is the business arm of Grŵp Llandrillo Menai.

We deliver professional courses, specialist services, work-based learning and apprenticeships for businesses in north Wales.

As Project Manager, you will take the lead role in planning, implementing, monitoring, controlling, and closing projects, ensuring projects are completed on time and within the budget.

You will be able to lead highly impactful and fast moving projects working with stakeholders within the organisation and across the region. As part of your role you will be responsible for providing project management to some of the most important projects in the organisation and driving forward new developments for Busnes@ LlandriloMenai.

This will include strategic projects delivered under externally funded schemes such as the UK Shared Prosperity Fund, the North Wales Growth Deal and any other relevant project development opportunities as they arise.

We expect you to be both a project manager and a leader, taking ownership of key projects and working with your project team and other colleagues to deliver the very best results. In return you will be able to shape the approach of each project, break new ground and be a key part of the Busnes@LlandrilloMenai management team.
