About Addysg Oedolion Cymru | Adult Learning Wales:

Adult Learning Wales (ALW) is the national Adult Community Learning (ACL) organisation and unique in Wales in being completely focused on this element of the education sector.

We see our mission as 'Providing inspiring and accessible learning opportunities for adults across Wales and supporting our learners to achieve successful outcomes, both directly and through relationships with others.

Our offer is wide ranging, from basic skills in English, Welsh, numeracy, digital, personal health and finance, up to qualifications which provide pathways into Higher Education. We also offer courses in topics that link to hobbies or special interests as all learning can have a positive impact. In the 2022/23 academic year, we achieved just over 18,000 enrolments, which were delivered to over 9,000 individuals.

For many, our courses can be the first time they have engaged in formal learning since leaving traditional education and an empowering step on the road to achieving their goals. Through where, when, and how we offer learning, our aim is to help and support individuals through their learning experience with us, to inspire and build their confidence and skills.

In- person learning is at the heart of our provision as this facilitates the wider benefits of meeting together to learn. Our courses take place throughout Wales, in venues within the communities where people already feel at ease, removing the barrier of needing to attend a formal campus. To support learners who are unable to access face to face delivery, we continue to maintain an online offer, enabling learners to engage with our organisation and be part of a wider community.

In everything we offer, our aim is to always deliver excellent teaching and learning in a way which is inclusive and focused on the needs of learners. For the non-qualification courses, our learners can influence what is offered next, to encourage them to continue their learning journey.

Most of our courses are free to the learner as they are funded by Welsh Government or one of the many organisations we work with, and we have an extensive Learner Support offer which can help remove other barriers to learning. This includes help to attend courses in the form of childcare funding or transport, loan of IT equipment or access to specific IT packages, in addition to general well-being support.

Recognised by Welsh Government as ACL experts, we are known for going above and beyond to enable and support learning for everyone, and often deliver to individuals in challenging circumstances. Many of our learners tell us that their experience with ALW has been life-changing, feedback which inspires us in working harder to deliver for them.

A registered charity, limited company and designated Further Education Institution, ALW was formed in 2016 as the result of a merger, with legacy organisations including WEA Cymru, YMCA Community College and Coleg Harlech. So, whilst we are a young organisation, we are building on a strong heritage and have an exciting future ahead.
